

Aptakistic-Tripp Community Consolidated School District 102

August 2009

Dear Parent/Guardian:

Re: Meridian Middle School 2009-2010 Student Handbook, Parent/Student Agreement Letter

As you know, this year our student handbooks are posted online. The handbook provides a written reference for our students and parents so you will know our expectations for student behavior and academic and athletic responsibilities. This handbook offers you information about school and district policies and procedures. Like you, we want our students to be successful, and we believe that our rules and expectations will provide the order necessary for optimum learning and student achievement. This document also contains important information about students' use of our computer system, i.e., the Internet.

We ask that you take the time to review this handbook with your student and then sign and return the bottom half of this form to your child's teacher. If for any reason you cannot review the posted handbook online, or if you desire a hard copy of the handbook, please advise your child's teacher immediately. It is essential that every parent and student be familiar with our behavior and academic expectations and understand the disciplinary consequences that could result if district policies and procedures are violated.

Thank you for your cooperation in this matter. If you have any questions, please call your school principal or my office at 847/353-5660.

Sincerely,

Theresa Dunkin, Ed.D.
Superintendent
